Beck Jørgensen**
Communication Officer

**Cagla Yuksel
Kaya Kuyululu**
Senior Project
Manager

**Duru Eroglu v.d.
Schoor**
Junior Project Manager

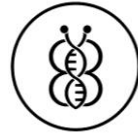

**Noraly van
Hemert**
Junior Research
Officer

Follow the discussion online by using the hashtag #BreederstalkGreen

EFFAB Members

FABRE-TP Members

European Forum of Farm Animal Breeders

Policy and legislation involved

Supporting and promoting responsible breeding
and reproduction – e.g., Code EFABAR

Responsible Research and Innovation (R&I)

Connecting industry,
knowledge institutes and policy

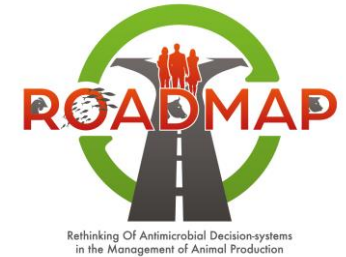

Mobilizing research, technological
development and innovation

Farm Animal Breeding & Reproduction Technology Platform

EFFAB is currently involved in **EU-funded projects**

Knowledge provider in EU projects = “Translating science” + Stakeholders engagement + Dissemination

EU Funded projects

House Rules

If you have any questions to the panelist please ask in the **Q&A box**.
Please participate in our poll as well.

Please note that **the webinar will be recorded and shared** on our website and social media.

Report any **technical issues** through the **chat box** or send an email to:
noraly.vanhemert@effab.info

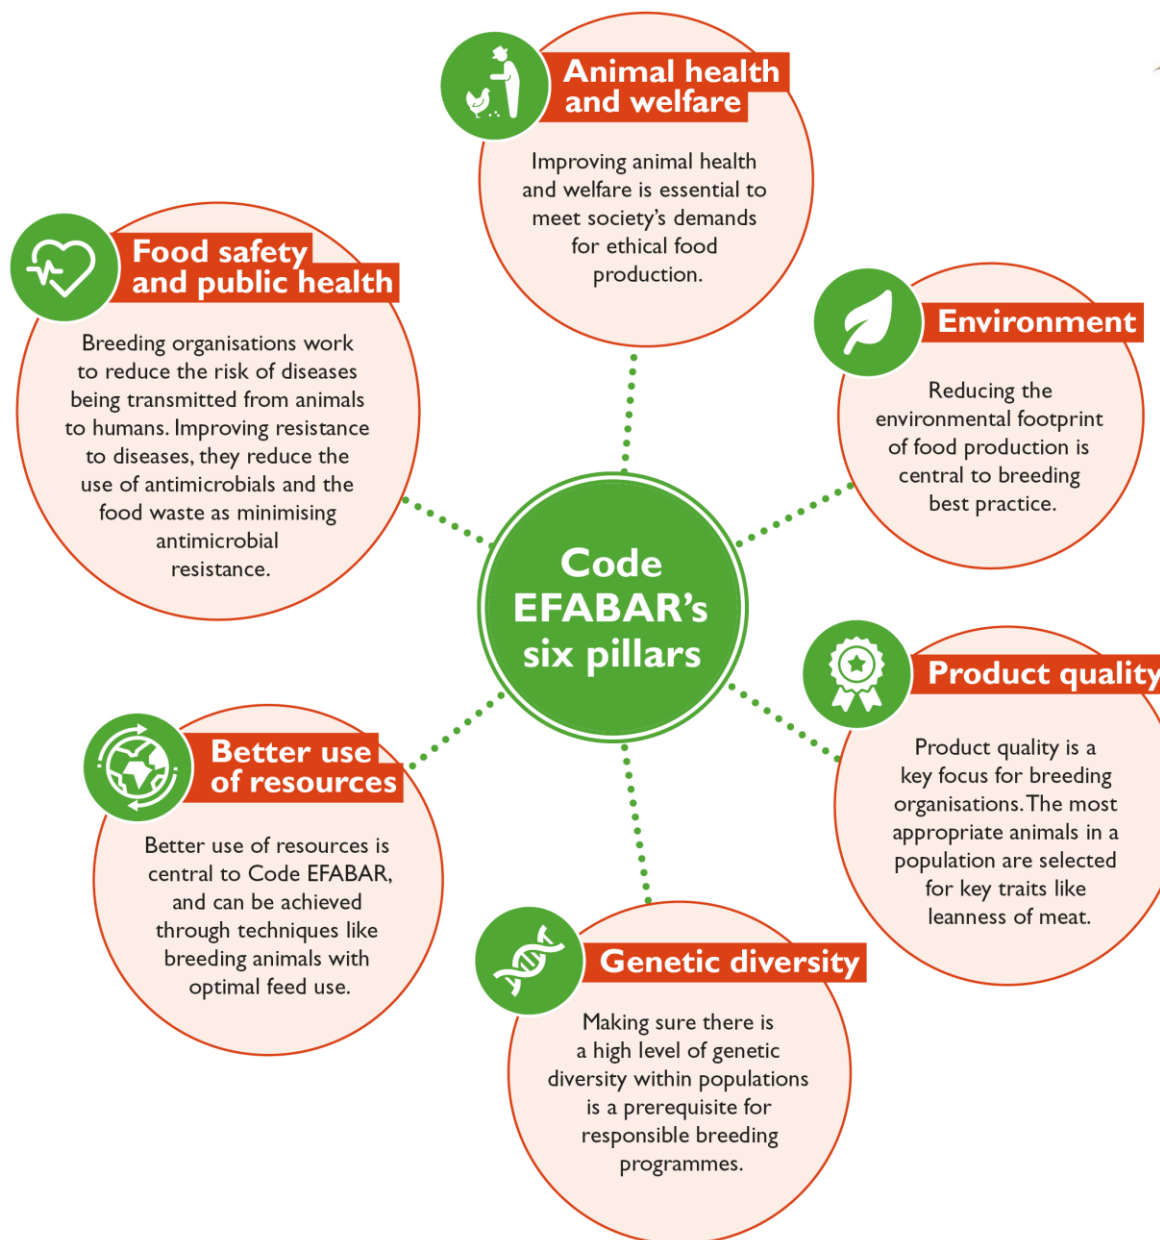

A couple of days after the webinar you will receive a short report with main take outs and the presentations from today's session.

Follow the discussion online by using the hashtag #BreederstalkGreen

Responsible and balanced breeding
